

PRESS RELEASE

15 May 2012

SALES DEVELOPMENT IN APRIL 2012

In April 2012, H&M group total sales including VAT in local currencies decreased by 1 percent compared to the same month the previous year. Sales in comparable units decreased by 10 percent. Comparable units comprise the stores and the internet and catalogue sales countries that have been in operation for at least a financial year.

Sales in April have mainly been affected by unfavorable weather but also by a very negative calendar effect.

Sales development per month in percent in local currencies:
