ESTABLISHMENT OF PRINCIPLES FOR THE ELECTION COMMITTEE AND ELECTION OF MEMBERS OF THE ELECTION COMMITTEE, item 13

The Election Committee proposes that the 2012 Annual General Meeting passes the following resolutions.

1. That the Annual General Meeting appoint the Chairman of the Board plus Lottie Tham representing Lottie Tham, Liselott Ledin representing Alecta, Jan Andersson representing Swedbank Robur fonder and Anders Oscarsson representing AMF and AMF Fonder as the Election Committee. This Election Committee shall take up its duties immediately. Its term of office shall continue until a new Election Committee is appointed.
2. No fees shall be paid to the members of the Election Committee. The Election Committee may charge to the company any reasonable costs for travel expenses and investigations.
3. Unless the members of the Election Committee agree otherwise, the chairman of the Election Committee shall be the member representing the largest shareholder.
4. The Election Committee shall submit proposals to the 2013 Annual General Meeting for:
 - a) election of the chairman of the meeting
 - b) resolution on the number of Board members
 - c) resolution on Board fees for the Chairman of the Board and for each of the other members of the Board (including work in Board committees)
 - d) election of Board members
 - e) election of Chairman of the Board
 - f) election of auditors
 - g) resolution on fees to the auditors
 - h) election of Election Committee, or resolution on principles for the establishment of the Election Committee, as well as resolution on instructions for the Election Committee.
5. Should a shareholder represented by Lottie Tham, Liselott Ledin, Jan Andersson or Anders Oscarsson notify the Election Committee that this shareholder wishes its representative to be replaced (e.g. because the person concerned is no longer employed), the Election Committee shall resolve that the person concerned shall leave the Committee.
6. Should a member leave the Election Committee before its work is complete and the Election Committee deems it necessary to replace this member, the Election Committee shall appoint a new member; in the first instance, a representative of the shareholder that was represented by the departing member, provided that the shareholder remains one of the five largest shareholders in the company.
7. Should a shareholder represented by Lottie Tham, Liselott Ledin, Jan Andersson or Anders Oscarsson no longer be one of the five largest shareholders in the company, the Election Committee may resolve that the member representing the shareholder shall leave the Committee. In which case, and even in the event that the Election Committee resolves that the member shall not leave the Committee, the Election Committee may appoint a new, or additional, member; in the first instance, a representative of the shareholder that has become one of the five largest shareholders.
8. Should a shareholder invited by the Election Committee to propose a member decline to make a proposal, the Election Committee shall invite the next largest shareholder that did not previously have a representative on the Election Committee.

9. Changes to the composition of the Election Committee shall be published as soon as possible.

Comments: The Election Committee's proposal for members is based on previously applied principles for the composition of the Election Committee, namely that the Election Committee shall consist of the Chairman of the Board plus four other members representing each of the four largest shareholders in terms of votes, as far as can be ascertained from the register of shareholders, other than the shareholder the Chairman of the Board may represent. In other aspects, the proposal is also based on previously applied principles. The Election Committee's proposals for the election of members of the Election Committee are based on shareholdings as at 29 February 2012.

Resolutions proposed by the Board

DIVIDEND AND RECORD DATE, item 9 b

The Board has proposed a dividend to the shareholders of SEK 9.50 per share. The Board of Directors has proposed Tuesday 8 May 2012 as the record date. If the resolution is passed, dividends are expected to be paid out by Euroclear Sweden AB on Friday 11 May 2012.

PROPOSED RESOLUTION ON GUIDELINES FOR REMUNERATION TO SENIOR EXECUTIVES, item 14

The term "senior executives" covers the Managing Director, other members of executive management, country managers and certain key individuals. The number of individuals covered by the term senior executives is currently around 40.

Compensation for senior executives is based on factors such as work tasks, expertise, position, experience and performance. Senior executives are compensated at what are considered by the company to be competitive market rates. Senior executives are also entitled to the benefits provided under the H&M Incentive Program.

H&M is present in more than 30 countries (not including franchise countries) and levels of compensation may therefore vary from country to country. Senior executives receive a fixed salary, pension benefits and other benefits such as car benefits. The largest portion of the remuneration consists of the fixed salary. For information on variable components, see the section below.

In addition to the ITP plan, the executive management and certain key individuals are covered by either a defined benefit or defined contribution pension plan. The retirement age for these individuals varies between 60 and 65 years. Members of executive management and country managers who are employed by a subsidiary abroad are covered by local pension arrangements and a defined contribution plan. The retirement age for these is in accordance with local retirement age rules. The cost of these commitments is partly covered by separate insurance policies.

The period of notice for senior executives varies from three to twelve months. No severance pay agreements exist within H&M other than for the Managing Director.

Pension terms etc. for the Managing Director

The retirement age for the Managing Director is 65. The Managing Director is covered by the ITP plan and a defined contribution plan. The total pension cost shall amount in total to 30 percent of the Managing Director's fixed salary. The Managing Director is entitled to 12 months' notice. In the event the company cancels the Managing Director's employment contract, the Managing Director will also receive severance pay of an extra year's salary.

Variable remuneration

The Managing Director, country managers, certain senior executives and certain key individuals are included in a bonus scheme. The size of the bonus per person is based on a certain percentage of the increase in the dividend approved by the Annual General Meeting and the fulfilment of targets in their respective areas of responsibility.

For the Managing Director, the bonus is based on 0.3 percent of the dividend increase up to a maximum of SEK 0.9 m net after tax. In the case of the Head of Sales, the bonus is based on 0.2 percent of the dividend increase, with a maximum of SEK 0.6 m net after tax. For other individuals, the bonus is 0.1 percent of the dividend increase, with a maximum of SEK 0.3 m net after tax. Net after tax means that income tax and social security costs are not included in the calculation.

The bonuses that are paid out must be invested entirely in shares in the company, which must be held for at least five years. Since H&M is present in markets with varying personal income tax rates, the net model has been chosen because it is considered fair that the recipients in the different countries should be able to purchase the same number of H&M shares for the amounts that are paid out.

In individual cases other members of executive management, key individuals and country managers may, at the discretion of the Managing Director and the Chairman of the Board, receive one-off payments up to a maximum of 30 percent of their fixed yearly salary.

Miscellaneous

The Board of Directors may deviate from these guidelines in individual cases where there is a particular reason for doing so.

Information at the AGM

Shareholders are entitled to certain information at the AGM. The Board of Directors and the Managing Director shall, if any shareholder so requests and the Board of Directors believes that it can be done without material harm to the company, provide information regarding circumstances that may affect the assessment of an item on the agenda, circumstances that may affect the assessment of the financial situation of the company or its subsidiaries, and the company's relations with another company within the group.
