

H&M Group MMC fibre supplier list

H&M Group signed the Roadmap towards responsible viscose and modal fibre manufacturing initiated by Changing Markets in 2018. As part of our own MMC sourcing policy we committed to (a) only sourcing from low-risk suppliers that have attained a green shirt in Canopy's Hot Button Ranking of Global Viscose Producers and (b) disclosing our full MMC fibre supplier list by the end of 2020. Here you will find a list of the MMC fibre suppliers we currently source from. This list was created in March 2022 and will be regularly updated.
